English Language Proficiency

Mr. Mikias Mulu is Active 3rd year student in the department Computer Science. He had taken English Grammar course for at least six years as part of his elementary school curriculum in Ethiopia. In his junior and senior high schools education, English was the medium of instruction for all the courses. Moreover, he has been pursuing his **Degree of Bachelor of Science in Computer Science from the University of Gondar,** where English language is the sole language of instruction and assessment.
